

**CT Experiential Learning Center (CELC)  
presents  
Water Science with the Whitney Water Center  
to benefit LifeStraw®**

*LifeStraw® is a portable drinking filter that makes it easier and safer for more people in the world to drink clean water.*

**Join us for an exciting presentation/lunch gathering  
Monday, 9 January at 11:30 a.m.**

when Peter Cleary, Communications Director  
with Vestergaard Frandsen, Incorporated will speak with students and  
families about its work to save lives.

In addition, Brett Leckey, a 10-year old who initiated his own project  
(Ucan2) devoted to LifeStraw®, will also speak about his fundraising efforts  
to better peoples' lives throughout the world.

Admission is a **donation in any amount toward Ucan2's LifeStraw® Project**

**Monday, 9 January 1:00 p.m. – 2:00 p.m.**

**MAGIC OF MICROSCOPY**

The Whitney Water Center at 945 Whitney Avenue in Hamden
